The Freedom of Choice Act (FOCA)  
Endangers Women & Silences the Voices of Everyday Americans

President Barack Obama has promised Planned Parenthood that one of his top priorities as President will be to sign the “Freedom of Choice Act” (FOCA) into law.

**FOCA would eliminate every restriction on abortion nationwide.**

- \* FOCA will do away with state laws on parental involvement, on partial-birth abortion, and on all other protections.
- \* FOCA will compel taxpayer funding of abortions.
- \* FOCA will force faith-based hospitals and healthcare facilities to perform abortions.

Barack Obama believes this legislation will “end the culture wars.” To him, “ending the culture wars” means eradicating every state and federal law on abortion—**laws the majority of Americans support.**

You can help stop FOCA.
